Ref: GEN/49/2020(6) Vol.I

To: Boards of Management and Principals of Government and Grant Aided High Schools

From: Mrs. Deborah Domingo, Chief Executive Officer

Date: June 24, 2020

Subject: Subsidy 2020, BEMIS and updated monthly submissions

- A. Further to the announcement made by the Ministry of Education regarding subsidy grants for 2020-2021 school year, please find subsidy information summarized below.

Subsidy grants awarded to new high school students are as follows:

1. All Primary Leavers from the Toledo, Stann Creek and Corozal Districts – Awarded \$200.
2. All Primary School Leavers from grant aided or government owned Rural Primary Schools – Awarded \$200.
3. Students who qualify by application - \$200 to be awarded. The names of students who qualify under this process will be published by the end of July 2020.

The second year of subsidy award is also \$200.

Schools are requested to indicate the subsidy award on behalf of each qualified student on the school's enrolment submission for September 2020. Kindly ensure that the names indicated are for students who have registered and are present at the opening of school.

- B. Schools are reminded that both BEMIS and the monthly enrolment submission should reflect updated enrolment information especially promotion, repetition, withdrawal and transfers. Pay sheets should be current, complete, and accurate.
